## List of Tables

## List of Figures

## 1 Introduction

## 2 Materials

## 3 Methods

## 4 Results

- 4.1 What are the typical patterns in the prox card data? What does a typical day look like for GASTech employees? Describe up to five of the most interesting patterns that appear in the building data.
- 4.2 Describe up to five of the most interesting patterns that appear in the building data. Describe what is notable about the pattern and explain its possible significance.
- 4.3 Describe up to five notable anomalies or unusual events you see in the data. Prioritize those issue that are most likely to represent a danger or a serious issue for building operations.
- 4.4 Describe up to three observed relationships between the proximity card data and building data elements. If you find a causal relationship, describe your discovered cause and effect, the evidence you found the support it, and your level of confidence in your assessment of the relationship.
